

Dear All,

This is **SHIBAYAMA SHOP**. We provide our Japanese second-hand and vintage cars all over the world. As you know well, we Japanese always have used our cars very carefully and cleanly for long time, so in the world these cars are very popular. Also one more reason is that made-in-Japan cars are High Quality products. We attach some products as follows. Also please see the details and more cars at https://www.shibayama-shop.com/stock_list.php.
